african american stories of pdf

African-American culture, also known as Black American culture, refers to the contributions of African Americans to the culture of the United States, either as part of or distinct from mainstream American culture. The distinct identity of African-American culture is rooted in the historical experience of the African-American people, including the Middle Passage.

African-American culture - Wikipedia

African-American history is the part of American history that looks at the African-Americans or Black Americans in the United States.. Although previously marginalized, African-American history has gained ground in school and university curricula and gained wider scholarly attention since the late 20th century. The black history that pre-dates the slave trade is rarely taught in schools and is ...

African-American history - Wikipedia

African Americans constitute 15.4 percent of Arkansas's population, according to the 2010 census, and they have been present in the state since the earliest days of European settlement.

African Americans - Encyclopedia of Arkansas

The African-American Civil Rights Movement was a group of social movements in the United States. Their goal was to gain equal rights for African-American people. The word "African-American" was not used at the time, so the movement was usually called The Civil Rights Movement. This article talks about the part of the movement that lasted from about 1954 to 1968.
