New Age is a term applied to a range of spiritual or religious beliefs and practices that developed in Western nations during the 1970s. Precise scholarly definitions of the New Age differ in their emphasis, largely as a result of its highly eclectic structure. Although analytically often considered to be religious, those involved in it typically prefer the designation of spiritual or Mind ...

Neale Donald Walsch: CONVERSATIONS WITH GOD, Book 1

Models of the Universe are described and classified into three major categories: Historic, Expanding, and Cellular. It is shown that all expanding universe models violate the cosmic edge and containment principle. The multi-millennium conflict between the two major world views --the changing dynamic universe and the unchanging stable universe-- is highlighted.

Editor's Note: There has been rising interest in the "problem of evil" in our comment boxes, and many atheist commenters requested a stronger engagement with the so-called "evidential" version of that argument. So on Wednesday we featured a defense of the "evidential" version from atheist Brian Gree
