The artificial sweetener aspartame has been the subject of several controversies since its initial approval by the U.S. Food and Drug Administration (FDA) in 1974. The FDA approval of aspartame was highly contested, with critics alleging that the quality of the initial research supporting its safety was inadequate and flawed, and that conflicts of interest marred the 1981 approval of aspartame.

The seven dirty words are seven English-language words that American comedian George Carlin first listed in 1972 in his monologue "Seven Words You Can Never Say on Television". The words are: shit, piss, fuck, cunt, cocksucker, motherfucker, and tits. At the time, the words were considered highly inappropriate and unsuitable for broadcast on the public airwaves in the United States, whether ...
