The role of the Reiki Master is sometimes relegated to a secondary position as some people argue that, due to the fact that we (as spiritual beings) are already connected, the Reiki Master does not empower, with the attunement, the Initiate. I respect this position/opinion but I do not agree with it. It's true that [!]

Reiki uses a special form of 'ki' (Japanese for Qi or energy) to rebalance and then charge the body's energy system. It doesn't heal the body itself, rather it gives the body the resources needed to do so. With regular practice, many Reiki healers feel happier, healthier, more productive and better able to deal with situations that would previously have caused large amounts of stress.

No, I haven't turned to the dark-side, but rather I am transcending sides. This article is probably the most important piece I have written to date, and in order to convey the full message, a bit of back-story is necessary. Hang in there with me, and by the end you will understand why I will never call myself a "lightworker" again.
